Welcome to our 11th year of a competition honoring the creative talents of Arizona lawyers. We hope you agree that this year's offerings are as remarkable as they've ever been.

This year's recognized work carries us from intensely personal reflections on family interaction, to memories of an America that has acted on its own worst instincts. It includes landscapes small and large, natural and urban. Visually, aurally and verbally, the artwork on the following pages engages us with remarkable beauty and incredible detail.

Thank you to all those who submitted, and congratulations to those who prevailed in this year's competition. Alphabetically, they are: Dair Deckert, Michele Feeney, Kirk Hays, Judy Jacobi, Marcy Janes, Elly Laff, John Levy, Doug Passon, Don Peters, Beth Smith and Shelly Tunis.

L to R: Michele Feeney, Doug Passon, John Levy, Kirk Hays, Beth Smith, Elly Laff, Marcy Janes, Dair Deckert, Don Peters, Shelly Tunis. Not pictured: Judy Jacobi
